

**COMMONWEALTH OF MASSACHUSETTS
ENERGY FACILITIES SITING BOARD**

PREFILED TESTIMONY OF HILARY HOLMES

1 **Q. Please state your name and business address.**

2 A. My name is Hilary Holmes. I am a Senior Project Manager at Langan. My business
3 address is 100 Cambridge Street, Suite 1310, Boston, MA 02114

4 **Q. Please provide an overview of Langan.**

5 A. Langan provides an integrated mix of engineering and environmental consulting services
6 in support of land development projects, corporate real estate portfolios, and the energy
7 industry.

8 **Q. On behalf of what company are you offering your testimony in this docket?**

9 A. I am testifying on behalf of Hillman Energy Center, LLC, which is requesting approval to
10 construct a 125MW standalone Battery Energy Storage System and related electrical
11 infrastructure in Tewksbury, Massachusetts.

12 **Q. What is your educational background and professional expertise?**

13 A. I have a B.S. in Environmental Engineering and a practicing Professional Engineer
14 specializing in site/civil engineering and water resources.

15 **Q. What is the purpose of your testimony?**

16 A. I will be testifying with respect to site/civil engineering matters for this Project,
17 including stormwater management design.

18 **Q. Does this conclude your testimony?**

19 A. Yes.

HILARY HOLMES

Ms. Holmes is a Senior Civil Engineer with over 19 years of experience in design, permitting, and project management. Her experience spans a broad range of projects including commercial, institutional, and residential land development, roadway infrastructure, and streetscapes and parks. She specializes in green stormwater infrastructure, stormwater management, and site development design. Her focus is to provide a sustainable and cost-effective solution to meet her client's needs. Hilary conducts site analyses, develops conceptual drawings through construction documentation, provides cost estimates and specifications, and performs construction administration tasks.
